PROJECTS

- **Responsive Personal Portfolio Website**

Description: *A fully responsive portfolio site showcasing your skills, projects, and experience. The website includes an "About Me" section, a portfolio gallery with filtering options, and a contact form with client-side validation.*

- **Interactive Quiz App**

Description: *A dynamic quiz application where users can test their knowledge on various topics. The app tracks the user's score, provides instant feedback, and displays a summary at the end.*

- **Weather Dashboard**

Description: *A weather dashboard that allows users to search for current weather conditions in any city. The app fetches data from a weather API and displays temperature, humidity, wind speed, and a 5-day forecast.*

Technologies: HTML, CSS, JavaScript & API Integration

INTERNSHIP

Completed a data science internship certified by AICTE & MSME, enhancing skills in data analysis and project execution.
