Education

- Bachelor of Computer Applications (BCA)
  Mohan Babu University 2023 – 2026
  CGPA: 9.12/10
- Intermediate (10+2)
  HIE Junior College 2019 – 2021
  Percentage: 92%
- High School (SSC)
  A.P. Model School 2018 – 2019
  GPA: 9.8/10

Professional Experience

- AICTE Virtual Internship – Python with AI/ML (Water Quality Prediction Project)
  Jan 2025 – Mar 2025
  Completed an AICTE-certified internship focused on developing a machine learning model for predicting water quality. Applied Python, data preprocessing, and ML techniques to real-world environmental datasets.

Professional Summary

- Enthusiastic tech learner with hands-on experience in Python, SQL, HTML, and AI/ML-based project development.
- Currently working on real-time machine learning projects such as water quality prediction using Python.
- Familiar with computer communication concepts and pursuing certifications to strengthen domain knowledge.
- Passionate about solving real-world problems through data-driven solutions and continuous upskilling in emerging technologies.

Projects

- Real-Time Water Quality Prediction Using Machine Learning Techniques
  June 2025 – July 2025
  Developed a machine learning model to predict water quality based on real-time environmental data. Analyzed key water parameters and built a predictive system using Python.
- Library Management System Using SQL
  April 2025 – May 2025
  Created a SQL-based database system to manage library inventory, member records, and borrowing/return tracking.
- Two-Wheeler Data Scraper (BikeWale)
  March 2024 – April 2024
  Built a Python web scraper using BeautifulSoup and Requests to extract bike names, prices, and specifications from the BikeWale website. Data stored in CSV for analysis.

Certifications & Achievements

- Selected for State-Level Inspire Manak Awards 2018 for science project on Hydroponics.
- Completed Python Programming Certification
- Certified in AWS Cloud Computing Basics
- Python with Web Development Certification
- Vocational Certification in Media and Entertainment (Govt. Recognized, Class 9 & 10)

Leadership Experience

- Event Organizer – CodeSprint (College Tech Fest)
  Organized the "CodeSprint" coding competition by coordinating with faculty, participants, and volunteers. Demonstrated strong leadership and team coordination.

Skills

- Programming: Python, SQL, HTML
- Languages: English, Telugu, Hindi, Urdu
