SRIVAMSHI ERABATI

Jammikunta, Karimnagar, Telangana., India 505122
erabatisrivamshi@gmail.com
9346640104

Qualified Mechanical Engineer with extensive knowledge of engineering equipment and software.Equipped with strong problem-solving abilities, willingness to learn, and excellent communication skills. Poised to contribute to team success and achieve positive results. Ready to tackle new challenges and advance organizational objectives with dedication and enthusiasm.

Skills

- CAD/CAM software
- 3D design and simulation software
- Welding techniques
- Six sigma methodologies
- HVAC/MEP design
- Advanced in Microsoft excel, project, and Visio
- Project management
- Mechanical system design
- Manufacturing feasibility analysis
- CATIA V5

Work History

Mechanical Design Engineer
CAD/CAM,Ansys., Hyderabad, Telangana.

- Collaborated with coworkers, discussing assembly, and needed product adjustments.
- Wrote work orders and parts fabrication requests.
- Performed troubleshooting, diagnosis, and repair of equipment.
- Identified mechanical problems and determined best solutions for correction.

Mechanical Technician
3-D Print Machine Technician., Hyderabad, Telangana.

- Collaborated with coworkers, discussing assembly, and needed product adjustments.
- Wrote work orders and parts fabrication requests.
- Performed troubleshooting, diagnosis, and repair of equipment.
- Identified mechanical problems and determined best solutions for correction.

Mechanical Engineering Intern
Project Management., Hyderabad, Telangana.

- Collaborated with coworkers, discussing assembly, and needed product adjustments.
- Wrote work orders and parts fabrication requests.
- Performed troubleshooting, diagnosis, and repair of equipment.
- Identified mechanical problems and determined best solutions for correction.

Mechanical Engineer
Graduated From Jntuh College of Engineering Sultanpur., Sangareddy, Hyderabad. | December 2021 - July 2025

- Followed optimum preventative maintenance plans for complex mechanical systems.
- Coordinated with other engineering professionals to coordinate operation of mechanical systems.
- Used computer-aided design (CAD) software to create detailed drawings and schematics of mechanical systems.
- Inspected and tested equipment, machinery and components to diagnose issues, recognize defects, and determine appropriate repairs.
- Researched new technologies related to mechanical engineering to improve designs and processes.
- Conducted cost-effective experiments with prototypes, documented results and delivered presentation to peers and professor.
- Developed technical skills through training and shadowing experienced professionals.
- Designed budgets and cost estimates for projects with speed and accuracy while working closely with clients, drafters and employees to determine best courses of action.
- Conducted root cause analysis to identify source of mechanical system malfunctions.
- Coordinated installation of systems, machinery, and components.

Education

Bachelor Of Technology in Mechanical Engineering
Jntuh College of Engineering Sultanpur, Sultanpur,sangareddy,Telangana. | July 2025
Secured 7.0 CGPA

Intermediate Certificate
Sri Chaitanya Jnr Kalashala., Bowrampet,Hyderabad,Telangana. | June 2021
Secured 94%

Vignan High School., Hanmakonda, Warangal, Telangana. | June 2019
Secured 95%

Certifications

- CAPM - Certified Associate in Project Management
- ANSYS
- DATA SCIENTIST

Languages

- English
- Hindi
- Telugu
