Profile

I'm an IT student focused on cybersecurity, with a strong interest in threat detection and AI-driven security solutions. I have hands-on experience working with Python, networking, Linux, and Kali Linux. I'm also certified in IBM security tools and have built machine learning models that achieved up to 95% accuracy. Passionate about ethical hacking and reducing risks, I'm driven to help secure digital infrastructure against modern threats.

Professional Experience

AI/ML Project Intern, *Allsoft Solutions and Services* — 07/2024 – 08/2024, Delhi, India

- Developed and optimized threat detection models using **Scikit-learn**.
- Applied **Python** and **machine learning techniques** to enhance model accuracy and performance.
- Gained hands-on experience with **AI-driven security solutions** in a practical environment.

Education

Class X CBSE, *Delhi Jain Public School* — 80.8% – 2020, New Delhi, India

Class XII CBSE, *Delhi Jain Public School* — 76% – 2022, New Delhi, India

Bachelor of Technology in Information Technology, — 2022 – Present
Dr. Akhilesh Das Gupta Institute of Professional Studies, GGSIPU — New Delhi

Diploma in Cybersecurity, *Craw Security* — Present, New Delhi, India

Skills

Programming Languages
- Python
- C/C++
- HTML

Operating Systems
- Linux (Red Hat, Kali)

Networking & Cybersecurity
- Networking Fundamentals (TCP/IP, DNS)
- Ethical Hacking
- Linux Essentials
- Cryptography
- Steganography
- Cyber Forensic

Technical Skills:
- Data Structures and Algorithms

Projects

Breast Cancer Prediction with 95% accuracy 07/2024 – 07/2024

Developed a breast cancer prediction model using Scikit-learn, achieving 95% accuracy on a 10,000-sample dataset.

Mini Projects (GitHub)

- **Daily Mood Tracker:** A Python tool that lets users log their mood and receive motivational quotes or tips based on their input.
- **Simple Food Ordering Bot:** Text-based café ordering system that displays a menu, processes orders, calculates totals with tax and delivery charges.
- **BMI Calculator:** Health utility to compute Body Mass Index and classify health status based on user-provided weight and height.
- **Mini ATM Simulator:** Python program simulating ATM functionalities like balance inquiry, deposit, and withdrawal with transaction limits.
- **Speeding Fine Calculator:** A utility for calculating speeding fines based on input speed with defined penalty thresholds.

Certificates

Cyber Security Internship AICTE & Edunet Foundation — June 2025

Completed a 6-week internship in Cyber Security under the AICTE Virtual Internship Program, implemented by Edunet Foundation. Gained practical knowledge in key cybersecurity concepts and practices.

Breast Cancer Prediction Project — Allsoft Solutions & Services

Developed an AI/ML model for breast cancer prediction using Python, machine learning, and data science techniques. (*Jul 2024 – Aug 2024*)

Linux Command-line Operations & System Administration — Vodafone Idea

Certified in Linux command-line operations, system administration, and file management. (October 2024)

HackManthan 2.0 Participant — IIT Jodhpur & Craw Cyber Security

Participated in a national-level cybersecurity hackathon focused on network defense and real-world attack simulations. (*Jan 2025*)

Cybersecurity Internship — IBM SkillsBuild & AICTE

Completed a 6-week internship on cybersecurity fundamentals, SIEM tools, risk management, and IBM security frameworks

Build Your Own Chatbot — IBM Cognitive Class

Completed IBM's course on chatbot development with AI tools. (*July 2024*)

Linux Essential

PROJECT COMPLETION CERTIFICATE

In recognition of the commitment to achieve professional excellence this is to certify that Ms./Mr.

Arjav Jain

has successfully completed an industry-oriented project.

Project Name	Breast Cancer Prediction
Technologies Used	Python, AI, Machine Learning, Data Science, Statistics
Reference No.	AIP20242270
Training Date	15th July - 2nd Aug, 2024
Training Duration	90 Hours
Training Location	Dr. Akhilesh Das Gupta Institute of Technology & Management

Program Co-ordinator
Industry/Academic Alliance
