 LinkedIn: http://linkedin.com/in/prakhar-pandey-658491203

Professional Summary

Enthusiastic and dedicated Electronics Engineering student with a passion for learning and innovation. Skilled in embedded systems and basic web development. Adept at collaborative problem-solving and eager to contribute to challenging projects in a dynamic work environment.

Education

Rameshwaram Institute of Technology and Management, Lucknow

Bachelor of Technology – Electronics and Communication Engineering (2022 – 2026)

Affiliated to Dr. A.P.J. Abdul Kalam Technical University (AKTU), Uttar Pradesh

Saraswati Vidya Mandir (CBSE), Lucknow

Intermediate (2022) – CGPA: 67%

Brightland Inter College (CBSE), Lucknow

High School (2020) – CGPA: 86.4%

Technical Skills

Embedded Systems: Arduino UNO, IR Sensor, PIR Sensor, Relay Modules

Others: Basic Web Development (HTML, CSS)

Projects

Motion Detector System

- Developed a PIR sensor-based motion detection system using Arduino UNO.

- Used a 9V battery-powered relay and buzzer to alert on motion detection.

- Designed for efficient small-scale motion-triggered alert mechanisms.

Arduino IR Detection System

- Implemented an IR sensor and relay module to trigger a buzzer on detection.

- Focused on real-time response systems using simple electronics and Arduino.

Certifications

- Embedded Systems Course – SMPS Innovations Pvt. Ltd.

- Employability Skills & Web Technologies Training – Softpro India Computer Technologies Pvt. Ltd.

- AI Tools & ChatGPT Workshop – be10x

- Introduction to CIP Program – OPSWAT Academy

Additional Information

Date of Birth: February 16, 2004

Languages: Hindi, English

Location: Lucknow, Uttar Pradesh
